Mitch and the Moodswings Concert on June 30

Bonnie Young, Akron Borough Council

Akron's crowd favorite at last year's Summer Concert Series was Mitch and the Moodswings. The band will play again on Sunday, June 30 at 6:00 p.m. in Roland Park's Pavilion 2, and the public is invited to enjoy this free, fun and lively performance.

The audience connection to Mitch and the Moodswing's music is simply magical, with audiences singing along (and sometimes dancing!) to the best of 60's music, rock and roll, soul and Motown.

2024 marks the 20th season that the Moodswings have delighted audiences. Mitch Mohler, lead singer, said he and his band promise to "bring a smile" to those in attendance.

The Akron Borough invites all to enjoy this special performance in the park. Take along lawn chairs and a picnic supper if you would like to.

In case of rain, the rain date will be Sunday, July 28.
